Systemline E200

Benefits

- No Clutter – it's built in to the wall
- Easy to install – no training required
- Wipe clean – not a dust & grime collector
- TV sound – pipe TV sound through your Systemline E200 for much better sound quality*
- Great sound quality – far better than your average radio and much more enjoyable
- Better sound dispersion – particularly important in larger kitchens or more open plan room layouts
- Flexible alarm feature

Wireless connectivity (optional)

- Via Sonos or AirPlay**
- Bluetooth via QED uPlay Plus

*With additional audio cable.

**AirPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Sonos is a registered trademark of Sonos, Inc. in the U.S. and other countries.
